Ricoh USA

"We want to change the mindset at Ricoh to think about security all the time. These days, everybody in the organization is part of the security team. Solid partnerships like the one we have with Trend Micro are a critical part of that effort."

See story >

David Levine
VP Information Security, CISO, Ricoh USA, Inc.

Hybrid Cloud Security

DHR Health

"With Trend Micro, the way the products work together, the incidents are easy to track. I have complete visibility of what's going on, where the threat has started, how to track it, and how to fix issues."
